Please let us know if you would like to add The Furrows to your booking and we will make the booking arrangements for you!

THE FURROWS - LOCAL RULES

Take it up between the wheelbarrows & the fork

However, if using a putter & not taking a divot, start from wherever is easiest

Either score, or don't. totally up to you

Feel free to throw it out of the bunkers, just remember...

Use the rakes to smooth your footprints

Repair your pitchmarks to keep the greens smooth

Resting on a sleeper? Take a free drop

Out of bounds is to the east & west, keep an eye out for the white stakes with black tops

Wheelbarrows on the tee are full of sand for you to use to fill your divots

Smiles on faces are the goal. the only furrows we like are in the field, not on anyone's brows
